Sir,

Greetings from Dept of Dental Surgery & Oral Health Sciences, AFMC Pune!

1. On behalf of the Organizing Committee, I am deeply privileged to welcome you to join for the 13th National Dental Science Update at AFMC Pune on 08 - 09 Nov 2021.

2. The rapid changes in the field of dental surgery have ushered in many new paradigms in clinical practice. Solutions to various problems and understanding the controversies are a real time challenge for any clinician. It is imperative that the general and specialist dental surgeons keep updated on the latest in their respective fields. Keeping this challenge in mind, this update centres around the theme of '**Controversies and Panacea in Oral Health Sciences: Contemporary Perspective**'.

3. AFMC Pune is built on the traditions that are highly appreciated by students, teachers and clinicians across the country. The plenary lectures of this conference will address the important topics in all branches of dentistry. Kindly see the enclosed conference brochure for your reference and wide circulation among all departments at your institution. The conference will held on hybrid mode (combined physical and virtual). The link for registration is mailed to your email for further dissemination.

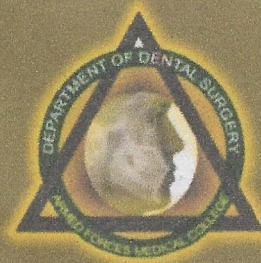

4. I am looking forward your availability along with delegates from your college for this scientific gala. Please feel free to contact in case of any queries.

With warm regards,

Brigadier
Prof & HoD
Head, Post Graduate Studies
