4) Camps conducted at Kai Sitaram Aabaji Prathmik Vidyalaya, Bibwewadi (5/7/2022)

A total of 4 camps were conducted at Kai Aabaji Sitaram Prathmik Vidyalaya from 5th July 2022 almost all of the school children needed counseling and guidance on maintaining proper oral hygiene

It was evident that the treatment needs were high in the school children and the oral hygiene seemed to be a neglected part in the children. A total of 600+ students were examined the motive of the dental camp was achieved to its maximum with the efforts of all the people involved. It was one of the best camps in 2022 because we personally connected with the needs of the students and they reciprocated really well to all the instructions given to pave way for a better tomorrow.

4) Vijay Mukund Athavale Vidyalaya, Nasrapur (14/1/2020)

The teams arrived to the location at 10 am and the camp was inaugurated with a welcome speech by the HM of the school. School Students attended the medical camp and benefitted. It was the best camp as not only the students were receptive of the instructions but also involved as participants. Few of the patients were referred by the doctors for further treatment at Bharati Vidyapeeth Dental College and Hospital, Pune. Nasrapur, being a rural village, lacked optimal dental care . The interns understood the mindset of the students and made them understand in an activity friendly way. The volunteers played a vital role in making this camp successful with their dedication in serving people

6) Kothrud Bus depot (16/1/2020)

Dental camp was conducted at the Kothrud Bus depot for the bus drivers to ensure dental hygiene awareness. The Interns spoke about the importance of oral and dental care and explained in detail about the root cause of the dental and oral health problems. A total of 107 bus drivers were examined the students further briefed about how to avoid toothache related problems. The bus drivers also had a question and answer session in Marathi with the doctors to resolve their queries based on dental hygiene. As the Bus Drivers have long hectic days of travelling and they are bound to chew tobacco, the interns made them understand the repercussions which made them realize their mistake. They gave referral slips for those who needed further treatment. The camp turned out to be very beneficial for the interns as well as it was a day of learning about the difficulties that bus driver's face.

7) Bharati Vidyapeeth Kanya Prashala, Pune (27th- 29th august 2019)

The camp was conducted in girls' schools to make the students aware of dental hygiene. A total of 523 students were examined. It included dental awareness talk, educating students about common dental ailments — especially stressing on tooth decay and gum diseases — and the measures used to prevent them. The students were made aware about the eating patterns and food choices which can lead to tooth decay.

The young students cherished the chance to interact with the dentists to enquire and gain knowledge about their oral health and maintaining good oral hygiene.

8) **Bharati Vidyapeeth Police station, Pune (3/6/2019)**

To ensure the dental hygiene of the police officers who protect us at all times, a dental camp was held. Students interacted with police officers while also educating them about oral hygiene and how to maintain it. Overall a total of 150 officers were examined. It was a learning day for students as they got to know about the hectic lives of the Police officials and got to teach them about dental hygiene. Few of the patients were referred by the doctors for further treatment at Bharati Vidyapeeth Dental College and Hospital

9) **Flying Birds School, Ambegoan (15/6/2018)**

The camp was conducted in the school to make the students aware of dental hygiene. A total of 500+ students were examined. It included a dental awareness talk in which students were taught about common dental ailments, with a focus on tooth decay and gum disease, as well as preventative measures. Students were educated on the eating habits and food choices that can lead to tooth decay.

The young students cherished the chance to interact with the dentists to enquire and gain knowledge about their oral health and maintaining good oral hygiene.

10) **BVDU Ayurvedic college, Katraj (31/12/2018)**

Dental camp was conducted at the BVDU Ayurvedic College to ensure dental hygiene awareness. The Interns spoke about the importance of oral and dental care and explained in detail about the root cause of the dental and oral health problems. A total of 80 aspiring Ayurvedic doctors were examined. The students further briefed about how to avoid toothache related problems. Students also had a question and answer session in with the doctors to resolve their queries based on dental hygiene. The students discussed ayurvedic and dental resemblance and how both the fields can benefit each other. They gave referral slips for those who needed further treatment. It was a great way to communicate with other professionals of the medical field.
