**CIRCULAR**

Our Bharati Vidyapeeth (Deemed to be University) is now an approved International Training Centre (ITC) for American Heart Association. The International Training Centre is located on the First Floor of the Dental College & Hospital, Pune.

We are permitted to conduct various workshops promoted by American Heart Association such as Heart Saver (First aid and CPR), Basic Life Support, Advanced Cardiac Life Support and Instructor Training Programme. Brief detail is enclosed alongwith the circular.

All Principals and Directors are requested to give wide publicity of this circular and encourage those interested to undertake the training. On successful completion of the training they will be awarded a Certificate and Licence from the American Heart Association.

*Enail to all teaching faculty and Pf students.* *G. Rajeshwar*  
Registrar

To,

The Principals / Directors of  
all constituent colleges under  
Bharati Vidyapeeth (Deemed to be University), Pune

*Truly yours: 06/07/2020*

### Internal Communication

Bharati Vidyapeeth Deemed To Be University, Pune is now approved **International Training Centre (ITC) for American Heart Association (AHA)** as "**Bharati Vidyapeeth Deemed To Be University DCH, Pune**". This International Training Centre (ITC) is located on first floor of BVDU Dental College and Hospital, Pune.

With AHA's ITC status our University is permitted to conduct various workshops and activities promoted by the AHA viz: Heartsaver (First aid and CPR), Basic Life Support (BLS), Advanced Cardiac Life Support (ACLS)) and Instructor Training Programme.

Candidates completing the workshop successfully shall receive Certificate and License from **American Heart Association**. This certificate is of importance to Doctors and Paramedics working in Emergency Department (ED), Intensive Care Unit (I.C.U.), Emergency Medical Services (E.M.S.) of various Hospitals in India and Abroad. We can conduct these courses not only for our students but also for various health workers involved in various Medical institutes in Maharashtra. This certificate and license is of value not only to upgrade the quality of Emergency Trauma and Cardiac Care but is a useful addition to the resume of students desirous of pursuing studies or career abroad.

The Fees for the workshops is as follows:

1. **Heartsaver Course** (First aid and Cardiopulmonary resuscitation): Rs.2200/-

This course includes: One Day workshop, Hands on training on Manikins and AHA's course material

Students from all fraternity (Art, Science, Commerce, Law, Management, Social science, Engineering, Pharmacy, Architect, Hotel management, Physical Education, Information Technology, Environmental Science) should be encouraged to undergo the Heartsaver Course.

2. **Basic Life Support (BLS)**: Rs. 2500/-

This course includes: One Day workshop, Hands on training on Manikins using AHA's audiovisual aid and AHA's BLS course material

Interns and Staff from Medical College, Dental College, Ayurvedic College, Homeopathic College, Nursing College, Audiometry and Optometry should be encouraged to undergo the BLS Course.

3. **Advanced Cardiac Life Support (ACLS)**: Rs. 7500/-

This course includes: Three Day workshop, Hands on training on Manikins using AHA's audiovisual aid and AHA's ACLS course material

Post graduate students and staff from Medical College, Dental College, Ayurvedic College, Homeopathic College, Nursing College, Audiometry and Optometry should be encouraged to undergo the BLS Course.

**4. Instructor Training Course : Rs. 15000/-**

One Day workshop: for those who have successfully completed BLS and ACLS workshop.

**5. Heartcode BLS online Course: Rs 3000/-**

During Pandemic Covid 19 situations, BVDU has introduced "Heartcode BLS" online course keeping in mind the need of social distancing and personal protection. It has two components. First part includes cognitive online learning using AHA videos and E book. Second part includes skill testing on manikins.

Interns, Post graduate students and Staff from Medical College, Dental College, Ayurvedic College, Homeopathic College, Nursing College, Audiometry and Optometry should be encouraged to undergo the Heartcode BLS Online Course.
