

# **Plan Of Action**

**Plan of Action**

**Prevention of Sexual Harassment Committee**

1. On receiving a complaint, Prevention of Sexual Harassment Committee will conduct a meeting to discuss the matter and its seriousness
2. The Committee shall investigate the matter by providing hearing to all concerned individuals and written statement will be obtained
3. An advocate with experience in this sphere of activity may be invited after permission from the University
4. In case of serious offenses the matter may be referred to the Vice Chancellor/Registrar for independent investigation
5. It shall be the duty of the committee to ensure that all such grievances reach a logical conclusion

**All students and faculty were informed through personal interaction that confidentiality of the complainant/victim shall be strictly maintained**
