Research & Training

To,
Deans of Various Faculties &
Principal / Director of Institutes of
Bharati Vidyapeeth
(Deemed to be University), Pune

Sub: - Publication by the Ph.D. scholar in the Journals.

As you are aware that Ph.D. students are expected to publish two research papers in the Journals listed in the UGC list.

As per information available on the UGC website, 4305 journals have been removed from the list of UGC approved journals, due to poor quality, fake or questionable / insufficient information / false claims.

In view of the above, you are requested to examine the research papers published by the research students and certify that the research papers published by the students are in the list of UGC approved journal. (List of such withdrawn Journals is enclosed herewith).

Further, it is observed that the names of the university as well as the guide are not mentioned in the research papers. You are, therefore, requested to communicate to research guides and Ph.D. students to include names of guide and the University in published research papers. Please note that thesis will not be processed, if above mentioned discrepancies are observed.

It is also suggested that the Research advisory committee members / Head and Research Guide should verify the publications before submission of the thesis to the University and certify accordingly.

Thanking you,

(Prof. S. F. Patil)
