Respected Dear Madam/ Sir

Greetings from 3M!

At 3M Oral Care, we promote lifelong oral health by developing innovative dental and orthodontic solutions that help simplify procedures and bring in confidence into dental practice. With a history of leadership in the dental and orthodontic industries and a scientific approach to product development, we create high quality and advanced products that oral care professionals need to keep your patients smiling.

As an effort to partner and engage with dental academia, we are pleased to announce an annual **3M Scientific Convention for Academic Excellence** conference wherein our effort will be to introduce the attendees to the 3M's research and development philosophy and our cutting edge technology platform which not only helps in simplifying the clinical procedure but also to bring in predictability to everyday clinical practice.

We would like to extend our invitation to The Principal, Dean of the Institution, Head of the departments and faculty members from all the departments of your esteemed Dental College to join us at the **1st 3M Scientific Convention for Academic Excellence** conference which will be held on

Date: 23rd September 2019

Venue : Hotel Conrad, Pune

Time : 10.00am - 5.30pm.

The event will have scientific sessions by International and Indian speakers to showcase 3M technology platforms in the field of Indirect procedures and its implications on clinical procedures. The Scientific sessions will be conducted by

1. Dr. Peter Osswald, 3M Corporate Scientist from Advance product development team, Seefeld, Germany
2. Dr. Arvind Shenoy, MDS Endodontics, Mangalore
3. A **Consensus Meeting** to finalize a statement and develop an expert's endorsement on a clinical procedure – moderated by panelists consisting of academician and clinicians.

Email to all teaching faculty.
