### DEPARTMENT OF PERIODONTOLOGY – 27<sup>th</sup> December, 2022

A CDE Programme on CBCT (cone beam computed tomography) interpretation was organised and conducted in the Dept of Periodontology on 27<sup>th</sup> December, 2022.

Dr Manasi Kajale Salunkhe was invited as the guest speaker. Dr Manasi explained in detail the use of CBCT for diagnosis and treatment planning in endodontic, periodontal and implant cases. An interactive workshop with hands on regarding the use of the software for implant site assessment in maxilla and mandible was conducted in the post lunch session for post graduate students from Periodontology and other specialities. The programme was conceptualised by Dr Vidya Dodwad, head of department of Periodontology. We thank our Principal Dr Rajesh Kshirsagar for his constant support and motivation.
