

DEPARTMENT OF PEDODONTICS AND PREVENTIVE DENTISTRY
BHARATI VIDYAPEETH DENTAL COLLEGE AND HOSPITAL ,PUNE.

CHILDREN'S DAY CELEBRATION

The department of pedodontics and preventive dentistry celebrated children's day in the department with full enthusiasm and eagerness on 13th November 2021.

The entire department was decorated with bright and flashy colors.

All post graduate students, final year students, teaching staff and non-teaching staff of the department were involved in the program.

The celebration began with inauguration by the hands of the director of dental college Dr. Sanjay Londhe Sir and Office Superintendent Mr. Anil Kadam Sir which was followed by the cake cutting ceremony.

Following this, there was a skit by the post graduate students for the children through which they were educated about the basic oral health care.

Talent hunt show and musical chair were organized by final year students.

Post graduate students set up few stalls for children that educate children about good food and bad food, educating children about vaccine and its importance and tattooing for fun.

Eatables were organized for the children which was followed by dental treatment that included preventive treatment like oral prophylaxis, fluoride application and pit and fissure sealant.

DENTAL TREATMENT CAMP

A dental treatment camp was organized by department of pedodontics preventive dentistry along with rotary club and inner wheel club of khadki, pune .

The camp was organized for students studying sate school, hinjewadi, pune .
