9. Dr Shailesh Deshmukh was the Guest of Honour at Mid-Year Convention 2019 by Indian Orthodontic Society held on 6th -12th August 2019 at St Petersburg, Russia.
10. Dr Vijaysinh More was invited as Guest speaker at the Indian Society of Periodontology Conference, Delhi held on 3rd -4th August 2019.
11. Dr Vijaysinh More has completed an extensive cadaver and patient based surgical program in Perio plastic and microsurgery principles in hard and soft tissue augmentation

in Implantology, mentored by Senior surgeon Dr. Gérard Ighlaut from University of Freiburg, Germany conducted at Ramiah University of Advanced Learning.

12. Mr. Shivdas Mali, NSS Co-ordinator has been appreciated by Government of Maharashtra for his participation in Maharashtra Anti-tobacco Mass Pledge Activity held on 11th July 2019.
13. Farewell to Dr. Kiran Gadre on 31st August 2019: Dr. Kiran Gadre retired after being in the institution for over 28 years. His passion and dedication for Oral & Maxillofacial Surgery will always be remembered and missed.

Agenda

1. Henceforth Dissertations Submission to the University will be Online only by Principal's e-mail address. It must be in PDF format with certificate duly signed by Postgraduate Guide & Head of the Department. Bound copies of Dissertations will not be accepted at University. But postgraduate student must keep two bound copies of Dissertations (without his/her name mentioned) as emergency backup. Department and Library should not take bound copies of Dissertations.
2. Publications: From this academic year 2019-20, it is compulsory for the faculty to publish (in UGC approved journals) two Research articles/ Papers annually in their area of expertise to become eligible of their promotion / annual increment. The Research area/article should be socially relevant, locally need-based, nationally important & globally significant.
3. Guidelines regarding Behaviour of faculty: Social interactions with students should be avoided by staff. Do not use foul words or language with students or staff. No personal comments should be passed even inadvertently with students or staff.
4. Safety of students is of prime importance. Students must be accompanied by faculty at Conferences, Conventions, Dental Camps and Satellite Centers.
5. All HoDs/Incharges are requested to create an email address of their respective departments. This email address is to be used for communication with parents of UG students only regarding academic activities, attendance, performance and examination related information. This email address should be handled by the staff member In-charge of the Exam going batch in respective departments. Mails are to mention clearly the name of the student, year/semester and the name of the concerned subject. Needless to say separate emails need to be sent for each student. Marks obtained at various Internal Examinations shall be forwarded by email to all parents. Ensure that all official correspondence with parents is by email only.
6. All HoDs/Incharges are requested to forward e-mails to parents of students with poor/unsatisfactory attendance (below 50%) and/ or unsatisfactory performance especially those subjects for which students shall appear at the Winter 2019 University Examination. Request parents to visit the Institute to see the poor attendance and unsatisfactory performance in detail. Subject Incharge should communicate with parents

on telephone if the student remain absent for more than three consecutive lectures and/ or practical/ posting.

7. Email addresses of the parents can be obtained from concerned Coordinators of the concerned years. All coordinators of the concerned years are instructed to ensure correct email addresses of parents. Please treat this as most important.
8. Donation for flood victims: Many staff have contributed towards extending a helping hand to the flood victims. Other staff who want to help may provide items of daily use for flood victims. These items may be deposited at Medical College - next to Principal's Office.
9. AMC for Dental Chairs: Received approval for Annual Maintenance Contract for Gnatus Chairs (Total of Gnatus Chairs in our college- 186). Minor repair of Dental Chairs will be done on immediate basis. But major repairs will be undertaken after approval & purchase of parts to be replaced.
10. To avoid exorbitant fine student need pay to get clearance from Library, the Librarian may send e-mails to parents of students, if library books are not returned after one month of the due date.
11. BDS Admission Update: Status Retention Candidates: 79 in two rounds; 7 Status Retention Candidates in Mop Up Round which began on 13th August 2019. Total: 86
12. Auditorium in the Museum is permitted for use for workshops/ symposia/ conferences.

Upcoming events

1. 2nd International Women's Dental and Leadership Congress on 27th - 29th September 2019. No appointments to be given on 28th September 2019 so that all undergraduate students & postgraduate students should get chance to attend the conference and present poster/ paper.
2. The next parent teacher meeting for all undergraduate students (I- IV year) together will be held on Saturday 21st September 2019.

Dr. Rajesh Kshirsagar

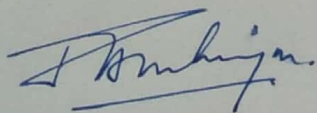

Chairman

BHARATI VIDYAPEETH
DEEMED TO BE UNIVERSITY
DENTAL COLLEGE AND HOSPITAL, PUNE

11. **Dr Paresh Gandhi** was invited as a Guest Motivational Speaker at BNI - Deccan Chapter # From 1 Professional to Ace Businessmen #.
12. **Dr. Sandeep Tamane** was awarded Fellowship at Royal College of Physicians at Edinburgh.
13. **Dr. Richa Jain** (MDS Part 2) guided by Dr. Amit Mhapuskar won 2nd prize in paper presentation at the 31st National IAOMR Conference held at Amritsar.
14. **Dr Sayali More, Alumni student** (Ex PG Student & present faculty at BVDU, Sangli) guided by Dr. Amit Mhapuskar won 1st Prize in Paper presentation at the 31st National IAOMR Conference held at Amritsar.
15. The work of dismantling of the old lift has started. The installation and operation of the new lift will take 45 days.

Agenda

1. **Budget Sheet** distributed during the meeting has to be submitted by Department Heads in the first week of December 2019.
2. **Foreign, Non-resident Indians (NRIs) or Persons of Indian Origin (PIOs) students** need to be given academic consideration due to Fees, Visa issues and Cultural, language, etc. barriers. List of these students will be circulated soon to all departments.
3. **Change in schedule of Internal Examinations:** In relation to the certain subjects, at present all Internal Examinations (Sessional- I and II, Terminal and Prelims) are conducted in the last one year of training of the subject although the training in these subjects is extended over one and half years or two years or more. It is now under consideration to conduct the First Sessional & Terminal Examinations in non-exam-going terms for such subjects thus spreading the Internal Examinations over the last three terms/semesters prior to the University Examinations. The Second Sessional Examination and Preliminary Examinations will be held in the *Exam - Going Semester* of the subject. This matter is under study and your opinions in writing are solicited.
4. **NIRF Committee:** (Dr. Ajay Sabane and Team) have successfully completed the NIRF form filling process. Following deficiencies are noted which needs improvement in near future from all the faculty:

- Funded Research: more than 1 lakh is the requirement.
 - Alumni: Meeting regarding it will be conducted soon to improve communication with alumni of our Institute.
 - Awards by Government agencies
 - Patents
5. **Rotation of Chair Technician** to various departments: Department Heads will ensure the availability & usefulness of the Chair Technician in their respective departments. Ensure that the part of the chair replaced will be taken into the custody of the department.

Schedule for Repairing of Dental Chairs From 1 st DEC 2019 – 31 st JAN 2020	
Date & Duration	Department
25 th Nov – 2 nd Dec (1 Week)	Orthodontics
3 rd Dec – 17 th Dec (2 Weeks)	Conservative & Endodontics
18 th Dec – 25 th Dec (1 Week)	Oral Surgery
26 th Dec – 9 th Jan (2 Weeks)	Prosthodontics
10 th – 17 th Jan (1 Week)	Periodontics
20 th Jan – 27 th Jan (1 Week)	Pedodontics

The Head of Department of Public Health Dentistry & Oral Medicine and Radiology will communicate with Dr. Siddharth Shinde regarding schedule of Chair Technician for their Departments.

6. **Memorandum of understanding (MoU)** between our Institute & DY Patil Dental College & Hospital, Pune for Stem Cell Research has been approved by the University. Faculty of our Institute can utilize their expertise & the infrastructure for the Stem Cell research purpose with the understanding of equal rights in publication & profit incurred if any. Dr. Surekha Chavan has already completed this MoU for her research on the Stem Cell.
7. **Internal Examination:** Pattern of Marks distribution for all Internal Examination must be as per the DCI norms. First & Second Sessional Examination will be conducted with 20 marks for Theory & 20 marks for Practical. Practical Sessional Examination for the Clinical subjects may be conducted as Post-end Examination on the last day of clinical posting. It should be implemented for the batches whose First Sessional Examination has not yet been conducted starting from July 2020
8. Marks distribution for Terminal & Preliminary Examination is as per University Examination pattern.

Preliminary Examination				
Theory				Practical
Section I 35 marks	Section II 35 marks	Viva voce 20 marks	Total 90 marks	90 marks

Terminal Examination

7. **Gypsum Recycle Unit:** Institute is in the process of procuring a new machine to pulverize the models and increase the production of recycled dental plaster & dental stone.

Annual Progress Report of Gypsum Recycle Unit 2019-2020				
Total Production	Recycled Dental Plaster	Recycled Dental Stone	Consumption	Balance
80-100 kg	40-50 kg	35-40 kg	1) recycled Dental plaster for First BDS-25-35kg. 2) recycled dental stone (Research studies) 5-10kgs	5kg 25kg

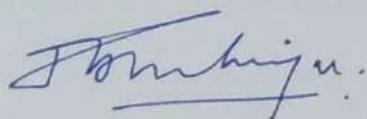

Completed Projects 2019

- Recycle and reuse of dental gypsum products –An innovative and unique project amongst all Dental institutes in India.
- Comparative evaluation of regular dental gypsum and recycled dental gypsum-A microbial analysis, an interdisciplinary approach, study conducted with Department of Microbiology, BVP Medical College Pune.....publication in progress
- Provisional patent filed for approval in Venture Innovation Center IPFACE PUNE.
- Comparative evaluation for compressive strength, impact strength, surface hardness of regular and recycled Dental gypsum-conducted and completed in collaboration with BVP Engineering College Pune....publication in progress.
- Color code analysis for recycled Dental gypsum in collaboration with BVP Ayurvedic College Pune.

Upcoming Projects 2020 (Gypsum Recycling)

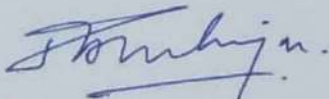

- Comparative evaluation of abrasion resistance of regular dental gypsum and recycled Dental gypsum in collaboration with VIT Engineering College Bibwewadi Pune.
 - Studies pertaining to influence of different water types on the physical and mechanical properties of recycled Dental gypsum
 - The effects of adding combination of calcium oxide and gum Arabic additives to recycled Dental gypsum to produce properties superior for Dental applications.
8. **Dr Paresh Gandhi** was invited for Guest Talk- Prosthetic Planning in Implantology at BVP, Pune and for National Keynote talk at 47 IPS Conference at Raipur on Lasers in Prosthetics and Implants on 28th November – 1st December 2019. He was also invited for an International Implantology Meet n Workshop, B & B, Bologna Italy.
 9. **Dr Amit Mhapuskar** was invited as a panelist for panel discussion on "Temporomandibular Joint- Demystified" at Sinhgad Dental College, Pune.
 10. Dr. Nirmitee Gujarathi won the second prize in paper presentation at 34 IACDE National Conference held at Mumbai from 28th November till 1st December 2019.
 11. Dr. Nidhi Dev won the third prize in paper presentation at 34 IACDE National Conference held at Mumbai from 28th November till 1st December 2019.
 12. Ms. Sayali Nakhate, Intern guided by Dr Amit Mhapuskar won the first prize in e-poster competition on the topic "Sleep Apnea-Role of the dentist" at the recently concluded 58th Maharashtra State Dental Conference at Nasik.

Agenda

1. Clinical / Practical University Examinations:

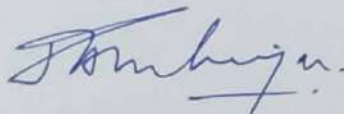

- All Internal Examiners for the Clinical / Practical University Examinations are requested to communicate the date/s, venue and time of respective examinations to the External Examiners.
 - In case the External Examiner is not available an alternative/substitute examiner should be recommended in writing to the Principal.
 - It is the duty of the Internal Examiner (Chairperson) to ensure the presence of the External Examiner during the Clinical/Practical Examination.
 - All Internal Examiners are requested to reconfirm the date/s, venue and time of the Clinical/Practical Examinations of their respective subjects and convey the same to the External Examiners.
 - Kindly ensure that letters of Appointment (soft copies) are provided to All External Examiners well in advance.
2. Similarly for the **Central Assessment Program**, it is the duty of the Internal Examiner to ensure the presence of the External Examiner and to carry out the compilation of marks. It is important to ensure that the External Examiner complete the assessment of Answer booklets in time / before the Internal Examiner to facilitate the compilation of marks.
3. **Repairs of upholstery:** Repairs of upholstery of dental chairs and operator stools as well as upholstery, castors and backrests of regular chairs will be undertaken from January 2020. Head/ In-charge of the departments are requested to prepare a list of such chairs in their department and maintain the record of the repair done. This will help them to verify & sign the bill (department-wise).
4. **Parents Teachers Meeting** will be organized and conducted by the Department of Basic Sciences & will be held on 7th March 2020. Parents are being informed well in advance to help them plan their visit to our institute. To make the parents more participative as a stakeholder, give your suggestion if you have any, to Dr Wadgaonkar.
5. Purchase of **Consumable Materials** for six months (January to June 2020) has been initiated. List has been forwarded to the concerned vendors. Please keep it in the separate room in lock & key.
6. **University Examinations of Summer 2020:** Time Table for University Examinations of Summer 2020 (Theory and Practical/Clinical) are being forwarded to Head / Incharges of each department. This schedule should be discussed with faculty members of the department. Convey any desired changes to the Dean, Faculty of Dentistry before 31st January 2020.

7. **CDE Proforma:** Department of Oral Pathology and Oral Microbiology is coordinating the CDE activities of the Institute. All Head / Incharges of each department are requested to review the mail sent regarding conduct of CDE activities. Brief report of the event and a few representative photographs (with banner of the program in the background) must be sent to Department of Oral Pathology and Oral Microbiology within 8 days after the program conducted.
8. It is suggested that the Research & **Ethical Committee Meeting** be held together to avoid repeated presentation by students & faculty. Kindly provide your opinion in writing to the undersigned latest by 21st January 2020 for further discussion in the next CC meeting.
9. **Repeater students** from the academic year 2015-16 onwards: Kindly note that all students admitted from the academic year 2015-16 have to complete their BDS programme including Internship within 9 years. In this regard it is recommended that Examination simulation exercises for the concerned subject should be given to repeaters prior to University Examination to help them improve their performance. These assignments must be duly signed by both student and Subject In-charge. These measures will eventually help reduce potential failures.
10. The matter pertaining to Supplementary Examination for Repeaters is to be discussed with the Controller of Examinations before implementation.

Upcoming events

1. Alumni Meet in January 2020
2. Communication in Health Care Setup for Postgraduate students in January 2020 by Department of Prosthodontics and Crown and Bridge.
3. Department of Conservative Dentistry and Endodontics shall organize and conduct the Republic Day flag hoisting and celebrations on 26th January 2020.

Dr. Rajesh Kshirsagar

The Core Committee meeting was held Online on Zoom on 07/04/2020 (Tuesday) at 7.00 pm.

Zoom meeting invitation- Core Committee Meeting- April 2020

Location: <https://us04web.zoom.us/j/649831624?pwd=T01EeU1LdDNmYy9YZWtnbFhuK01VQT09> Password: 4WSl5m

The Minutes of this Core Committee are presented herewith:

Updates:

1. On 4th March, 2020, Dr. Amol Patil has updated all Teaching Faculty on '**Publications as well as Regulations of DCI in this regard**'.
2. A Guest Lecture on "Prevention of Acute High Altitude Mountain Illness" was organized on 4th March, 2020. Guest speaker for the session was Surg. Captain Dr. Gaurav Sikri, Professor & Head, Department Of Physiology, AFMC, Pune. The lecture highlighted precautionary measures which can be taken before starting or planning for any high altitude (2500 feet or above) trekking/climbing. The response from the audience was overwhelming and overall the lecture was informative and beneficial for one and all. Department of Basic Medical Sciences had organized this lecture.
3. **Parents Teachers Meeting** was conducted on 7th March 2020. Parents interacted with teachers regarding academic performance of their wards. All the parents were satisfied with academic and extracurricular activities of the college. Some doubts of the parents were clarified by the Principal Dr. Rajesh Kshirsagar.
4. **Observing Late Hon'ble Dr. Patangrao Kadam's Death Anniversary:** All Teaching and Nonteaching staff paid tributes to our Founder-Chancellor Dr. Patangrao Kadam Saaheb on 9th March 2020.
5. Due to an alert with Covid-19 spreading rapidly, meeting was conducted with all HoDs/ Incharges on 12th March 2020 to ensure adequate supply of masks, hand sanitizers and soap in respective departments. Wearing of a mask made mandatory by all the staff members and students in college premises. All the staff and students are instructed not to remove the mask when talking to the patient as we are close to the patient. All the staff and students were asked to follow hand hygiene. Students working in departments on patients were instructed to use face screen/ shield in addition to masks, cap and gloves to protect themselves and others. The

dental chair, the door knob and furniture were wiped regularly with disinfectant.

Due to genuine risk of transmission of Covid-19 infection from patient to the clinician, faculties were asked to enquire Patient's and his family's travel history and treat or refer (to other departments) only those patients who require immediate/early intervention. The decision in this regard was taken by HoDs in consultation with department colleagues. References to other departments were carefully decided on the merit (difficulty and urgency) of the care required. Only emergency treatment was given for the patient with a cough or cold.

In an attempt to control the spread of Corona virus it is necessary to restrict the assembly of individuals. In this regard all Teaching Faculty members were informed not to organize any Workshop/Symposium/Conference/Guest Lecture etc until further orders. Any events previously planned may be postponed until the situation is suitable for the conduct of such programs. It would be most appropriate to consider conduct of events at a later date after evaluation of the situation at that point in time.

6. All HoDs / Incharges must ensure that at least one Non-teaching staff shall be responsible for managing cleanliness and hygiene.
7. Institutional Research and Ethics Committee has organized a Guest lecture on, "**Writing a Research Proposal - Study Design and Statistical Considerations**" by Dr. Supriya Bhalerao on 13th March, 2020 for PG students and faculty members. She had clarified most of the doubts related to research. 35 PG students and 20 faculty members attended the lecture.
8. The coordinators have communicated with their respective classes and obtained information regarding foreign visits by students or their relatives who have visited a foreign country after 14th February 2020 after verifying from their passport and submitted the same in writing (the complete details of the country visited, duration and date of return) on 16th March 2020. Similar information for the staff has been submitted in writing by Dr. Amol Patil.
9. As per instructions received from the University, classes (lectures/ practicals/ clinics) for all Undergraduate Students (including Interns) were discontinued from 16th March 2020 until further orders. In this regard, Coordinators informed the respective classes immediately.

10. The Reading Hall (Library) except Return-Issue counter kept closed from 19th March 2020. Students were requested to refrain from using the seating area of the Library until further orders.
11. All PG students (MDS I, II, III) were asked to stop attending their academic and clinical duties from 21st March 2020 as per instructions received from the University.
12. BVDU Dental College and Hospital Pune remained closed from 21st March 2020 until further orders as per the instructions from the concerned authorities. You are instructed to remain at home. Any change in the above shall be communicated to you. Take care and Stay Safe.
13. Teaching faculty and Non-teaching staff were asked to stop attending duties from 22nd March 2020 until further orders.
14. Principal has sent a communication to parents and students to reassure them through Whatsapp on 27th March 2020. 'Dear Parents/ Students: We hope this communication finds you in good health and spirits. As you are aware these are unfortunate, unforeseen circumstances and the situation is not yet suitable for your/ your ward's return to the college. The University and the College are aware of the condition and shall abide by the instructions/directives given by the Central/ State Government from time to time. We wish to reassure you that the University and the College shall ensure that the academic and clinical activities are completed satisfactorily before the conduct of the University Examinations. We urge you to Stay Home and Stay Safe. We shall intimate you regarding the appropriate time for you to return to college and continue your studies. Regards, Principal and Faculty.'
15. Principal has communicated with staff through Whatsapp on 31st March 2020. 'Good evening everyone: As you are aware the conditions at present are not suitable to conduct regular classes and render services to all patients. You are therefore requested to 'Stay Home' and follow all instructions given by the concerned authorities. At an appropriate time you will be informed regarding your return to duties. Please use suitable technology and social media to maintain contact with students and assist them in their academic endeavours. Patients who require immediate services/ treatment may be directed to the Casualty/ Emergency Section at Bharati Hospital. All PG Teachers are requested to contact each of their PG students and ensure that they are safe and taking necessary precautions.

Please use this time to reconnect with your family and rejuvenate yourselves.
With warm regards, Rajesh Kshirsagar

16. The following Teaching Faculty had undergone a 3 days Online Workshop: **'Online Learning for Faculty; what you need to know and prepare for a successful transition of your curriculum'** from 1st to 3rd April, 2020 organized by QASPIR (Quality Assurance Strategic Planning Institutional Research), United Kingdom, and an International Consultancy Specialising in Quality Assurance, Program Accreditation and Student Success.

- Dr. Abhijeet Jadhav, Department of Oral Medicine & Radiology
- Dr. Yogesh Khadtare, Department of Periodontology
- Dr. Sudhir Pawar, Department of Oral & Maxillofacial Surgery
- Dr. Mrunal Shinde, Department of Conservative Dentistry & Endodontics
- Dr. Pankaj Kadam, Department of Prosthodontics and Crown & Bridge
- Dr. Rohan Shah, Department of Pedodontics & Preventive Dentistry
- Dr. Praveena V Kulkarni, Department of Oral & Maxillofacial Pathology & Microbiology
- Dr. Siddharth A Shinde, Department of Orthodontics & Dentofacial Orthopedics
- Dr. Saurabh P Kakade, Department of Public Health Dentistry
- Mr. Shivdas M Mali, Department of General Pathology & Microbiology
- Mr. Gaurav B Deshmane, Department of Pharmacology
- Dr. Nimty Raina, Department of General Physiology & Biochemistry

Agenda:

1. All faculty members who have been allocated tasks pertaining to DCI Self Assessment are requested to mail the documents of completed tasks to rajeshkshirsagar40@gmail.com
2. All patients (New and Recall) must be entered in OPD Register. Subsequent to this entry patients may be given an appointment or sent to UG/ PG sections for dental treatment. UG and PG sections should have independent Work Done Registers only. In all each department will have Three Registers (OPD, UG work done and PG work done). Departments should send xerox copies of only UG and PG Work Done Registers to OPD at 4pm every day. In addition if desired an Appointment Register may be maintained by concerned departments at their discretion.

3. Coordinators of the committees are requested to send the scanned copies of the Meetings of the Committees under their charge. Reports of at least 2 meetings conducted from June 2019 to December 2019 should be included considering that each Committee meets at least once every three months (Quarterly). All reports should be signed by the Chairman and members of the Committee. Please send the scanned copies to enamelpearl87@gmail.com All the committees to submit the typed committee meeting report in following format
 - Agenda of the meeting
 - Minutes of meeting
 - Signatures of the member who attended the same
4. Henceforth, the photographs taken as a record representing our institute, honours & awards received have to be Geotagged. Geotag application needs to be downloaded from the Playstore. Geotagging is a GPS equipped camera which gives geographical location [date, time, location etc] to the photographs.
5. ICT committee has made an online form to evaluate student satisfaction. All student coordinators circulated the link to all students.
https://docs.google.com/forms/d/e/1FAIpQLSczly4Y0Y9CJAAqkcb9INxAc9iOP7x02i3pWRRGkoZ9X0hVWA/viewform?usp=sf_link All coordinators are requested the students of respective classes to fill and submit the Student Satisfaction Survey.
6. Preliminary examinations will be postponed until further notice.
7. Online Teaching methods: A minimum of 2 lectures per week need to be conducted online for each subject. Faculty need to be familiar with either Google Class or Zoom meetings where 100 students can join at one time. Faculty who has undergone training from the department will assist other faculty for online classes. The classes will be taken by the teachers as per the allotment. All details of such online lectures needs to be kept with the respective teachers as a proof that we have conducted the lecture and the topic is completed, so that we need not take it again when college reopens. Theory lectures can be completed in this manner but the practical classes will be conducted only in college and will be fulfilled before the University examinations. The class coordinators to contact the class representative and are requested to coordinate these classes. Faculty can contact me anytime if any difficulty or for discussion about the online classes.

8. All undergraduate students' coordinators are required to send one question/assignment topic in their subject everyday to the students on their respective Whatsapp groups. This has to be done till the students join back. All the assignments should be collected back from them and evaluated. All coordinators are to provide Assignments and Teaching Material to UG students as per guidelines given below:

- Written Assignments (Most Likely Questions) should be from the topics/portion already covered before 15th March 2020. One Question from each Exam-going subject per day. These assignments should be submitted by students on resuming classes.
- Teaching material in the form of PowerPoint presentations, written notes, or book/chapter references of topics to be taught /covered in the remainder of this term. This should also be of Exam-going subjects only.
- Use of WhatsApp or email is recommended.

These steps shall greatly aid in completion of the syllabus in time. We intend to conduct the University Examinations of Summer 2020 as early as possible.

9. All PG Teachers should instruct their postgraduate students to compile and send for publication at least one article in a Pubmed/ Scopus indexed journal. In addition postgraduate students may be given written assignments to complete. These should comprise Questions from previous University Examinations and /or Preliminary Examinations. One Long Question a day would be satisfactory.

10. BVDU Dental College and Hospital, Pune is now an approved International Training Centre (ITC) for the American Heart Association (AHA). We are at present permitted to conduct Workshops on Basic Life Support (BLS) & Advanced Cardiac Life Support (ACLS).

The Team includes:

1. Dr. Rajesh Kshirsagar
2. Dr. Amod Patankar
3. Dr. Shweta Chaudhary
4. Dr. Vasantha
5. Dr. Priya Lele
6. Dr. Swapna Patankar
7. Dr. Abhijit Jadhav
8. Dr. Aarti Gachke

9. Dr. Laxmi Lakade
10. Dr. Mrunal Shinde
11. Mr. Arvind Chinchawade

Upcoming events

1. Workshops on Basic Life Support (BLS) in May 2020 by BVDU Dental College and Hospital, Pune International Training Centre (ITC) for the American Heart Association (AHA).

Thank you for your support over the past few weeks. It has been a trying time for all of us. I am sure this difficult time shall pass uneventfully for all of us if we take care and follow instructions given by concerned authorities. Please Stay Home and Stay Safe.

Dr.Rajesh Kshirsagar
Chairman

**BHARATI VIDYAPEETH
DEEMED TO BE UNIVERSITY
DENTAL COLLEGE & HOSPITAL, PUNE**

The Core Committee Online meeting was held on 12/05/2020 (Tuesday):

Zoom meeting invitation- Core Committee Meeting- May 2020

Location: <https://us04web.zoom.us/j/75944241647?pwd=N1hrM0VKdXZaUzJO MXpkZmdTSHFuQT09>

Start time: May 12, 2020, 8:00PM; End time: May 12, 2020, 8:40PM

The Minutes of this Core Committee are presented herewith:

Updates:

1. All postgraduate teachers who have received Dissertations for evaluation have submitted their reports to the University.
2. Principal has communicated with students through Whatsapp on 8th April 2020

‘Dear students, the current situation is not yet suitable for your return to the college or the conduct of the Preliminary Examinations of Summer 2020 scheduled from 21.04.2020 to 05.05.2020. The Preliminary Examinations of Summer 2020 (for UG and PG students) are therefore postponed until further notice. Please remain in contact with your Class Coordinators/PG Teachers for updates regarding reopening of the college and conduct of examinations. Regards, Dr. Rajesh Kshirsagar, Principal.’

It was emphasized that the students should remain at home unless are asked to return to college.

3. AHA –International Training Centre:
 - AHA approval for International Training Centre
 - First batch of staff – 30 members – Online BLS Course started
 - 30 Interns have also registered for the second batch

Agenda:

1. Essential Services:

- Essential services at our institute started from 11th May 2020 to provide diagnostic and 'essential services' limited to relief from pain and life threatening conditions.

Faculty from Oral and Maxillofacial Surgery commissioned for the task.

- These faculty members are familiar with Operation Theatre protocols and PPE.
- Restricting the number of faculty shall prevent exposure to more number of people

- The selected faculty shall perform duties 3 days each from 9am to 1 pm
- Training programme was conducted on 12.05.2020
- PPE kits have been made available

2. Fee Recovery:

- Meeting held with the Management and University authorities
- Students must pay fees within 15 days of declaration of result
- Students not permitted to attend classes after due date
- No student shall be permitted to appear for University Examination unless fees are paid in full

3. Guidelines for Online Classes/ Lectures:

- Theory component of the syllabus should be completed preferably by 15th May 2020.
- All Lectures for First Year BDS students to be conducted between 3pm and 9pm.
- All Lectures for Second Year BDS students to be conducted between 9 am to 3pm.
- All Lectures for Third Year BDS students to be conducted between 9 am and 3pm.
- All Lectures for Final Year First Semester to be conducted between 3pm and 9pm.
- All Lectures for Final Year Second Semester to be conducted between 9am and 3pm.
- For every subject a maximum of two Lectures per week should be conducted. Departments which teach two subjects e.g. Oral Path- DADH/ Physio-Biochem/ Patho-Micro are requested to conduct two Lectures per individual subject
- Kindly ensure that the students and the class coordinators are informed of the lecture schedule.
- Lectures conducted Online need not be repeated when classes resume. This may provide more time for Practical/ Clinical training when college reopens.
- Please take help, if required, from the department faculty who has undergone training in Online Teaching.
- All HoDs are requested to coordinate with their department faculty members and prepare a Online Teaching plan.
- Kindly note that Lectures should be conducted only for Exam going batches of Exam going subjects only.

4. A record of Online lectures conducted should be maintained. Details such as date, time, subject, topic, duration, number of participants must be included in this record. Please include the lectures conducted, assignments given, PowerPoint presentations given, tests conducted etc. All HoDs / Incharges are requested to compile the Online Teaching/ Assessment/ any other activities performed during lockdown period and forward to Dr. Yogesh Khadtare to compile the information. A report of these academic activities needs to be submitted to the University.

5. Online Assignment / Tests (Trial for Preliminary Examinations):

- To be conducted only for Exam- going subjects /batches in respective subjects.
- Only one /two Assignments / Tests per subject
- All HoDs to plan Assignments/Tests as well as their Assessment / Evaluation process.
- Available days including Sundays – 17 days
- Consider ATKT students(e.g. 1st and 2nd year Assignment/Tests cannot clash)
- Please factor in Assessment / Evaluation when planning Assignments / Tests
- All coordinators to inform respective classes that Assignments/ Tests shall commence online from 15.05.2020.

6. Assignments/ Tests (Online)- Trial for Preliminary Examinations:

- Ensure Repeaters are included in Whatsapp Group
- Create a new email address for Online Examination
- Intimate date, time of Examination and email address
- Question Paper should be as per DCI/University norms – 3 hours duration
- Convey Question Paper by Whatsapp 5 minutes prior to the scheduled time
- Students should submit handwritten answer booklets in scanned form to the provided email address within 20 minutes from the conclusion of the examination

7. Suggested dates for Mock Examinations (All examinations from 10 am to 1 pm)

Subject	Assignment dates
---------	------------------

<ul style="list-style-type: none"> • General Anatomy • Oral Pathology and Microbiology • Pediatric Dentistry 	21.05.2020
<ul style="list-style-type: none"> • General Physiology and Biochemistry • General Surgery • Oral and Maxillofacial surgery 	23.05.2020
<ul style="list-style-type: none"> • DADH • General Medicine • Conservative Dentistry and Endodontics 	25.05.2020
<ul style="list-style-type: none"> • Prosthodontics and Crown and Bridge 	31.05.2020
<ul style="list-style-type: none"> • General and Dental Pharmacology • Orthodontics 	26.05.2020
<ul style="list-style-type: none"> • General Pathology and Microbiology • Public Health Dentistry 	28.05.2020
<ul style="list-style-type: none"> • Dental Material Science • Oral Medicine and Radiology 	30.05.2020
<ul style="list-style-type: none"> • Periodontology 	27.05.2020

8. Preliminary Examination –Theory:

- If lockdown continues and students are unable to come back to college the Preliminary Examinations may be conducted in a similar manner to the Online Examinations discussed earlier.

9. Preliminary Examinations – Practical:

- To be conducted after college reopens
- To be conducted maintaining social distancing norms

In subjects where examinations are conducted on patients:

- Probable non-availability of patients
- Risk of exposure to undergraduate students
- Consider simulation / models for examination (without patients)

10. University Examinations:

- Shall be conducted as per the guidelines of the DCI
- Proposed date of commencement is 1st August 2020 for BDS & MDS

11. Considering the current scenario, all PG Teachers are requested to

- telephonically communicate personally with their respective PG students to confirm their current location (home, hostel, rented flat etc), safety and well being.

- conduct at least 2 academic sessions (Journal Clubs, Case presentations, Seminars) online per week.
- continue correction of Dissertation writing work.
- ask all PG students to prepare article (based on dissertation) for publication in Pubmed/ Scopus.

12. Interns in-charge shall be directly responsible for the conduct of training program of interns posted in their respective departments since 17.03.2020. Online activities for Interns must be started with immediate effect. Each Intern should perform the following:

- One Online seminar (Zoom or equivalent) - higher level MDS I equivalent
- One PowerPoint presentation for UG students (Zoom or equivalent)
- One model for demonstration
- One chart (with acrylic frame)
- To prepare one review article for publication in indexed dental journal.

Only those Interns posted in the respective departments from 17.03.2020 onwards should be considered for the assignments. After discussing with Head of the department, Interns Incharges should prepare schedule and distribute above assignments immediately. These interactions may also be used to guide the interns and review the progress of their work. All other faculty members of the department must also be invited for these sessions. Do not consider Interns who have completed their tenure in your department for these assignments.

13. Bharati Vidyapeeth Deemed to be University American Heart Association' s International Training Centre, Pune introduces AHA Heartcode 'Basic Life Support' *Online Course.* This course is important for Doctors, Dentists and Nurses and mandatory for JCI and NABH accreditation. This course has two components viz:

- Cognitive online learning using AHA videos and e book followed by online test
- Skill training and testing at AHA ITC center at BVDU Dental College and Hospital, Pune once college reopens after Covid 19 pandemic.

On successful completion of this course, the candidate shall receive e-Card from AHA valid for two years. The course fees are Rupees Two Thousand and Five Hundred only.

Upcoming events

1. AHA –International Training Centre:

- BLS course- next batch for staff shall be organized in September-October 2020.
- Soon we shall start with ACLS Course also

Stay Home and Stay Safe...

Dr.Rajesh Kshirsagar
Chairman
