

BHARATI VIDYAPEETH DEEMED TO BE UNIVERSITY
DENTAL COLLEGE AND HOSPITAL ,PUNE

DEPARTMENT OF PERIODONTOLOGY

Our Post Graduate student from second year Dr Komal Rajpurohit was sponsored by the Bredent group of implant company for a five day exclusive programme at the Bredent headquarters in Ulm, Germany. They had sponsored 11 participants from India and Dr Komal Rajpurohit was one of them. It was a exclusive programme from 25th July 2023 to 30 July 2023 where in she was specially trained in complete implant prosthetics. They also allowed her to witness a Fast and Fix all on 6 immediate loading surgery under general anesthesia. She received special training on clinical management and marketing skills with Dr Michael Weiss and visited his 5 floor clinic in Ulm, Germany.

She also had the opportunity to visit Lansdberg, Germany and visit Dr Frank Kistler to take back home clinical tips in full mouth rehabilitation using the Fast and Fix system, Bredent.

It is a matter of great pride and honor that our post graduates are leaving no stone unturned in establishing themselves as successful clinicians and implantologist in the future to come. It is great privilege that our students are invited and sponsored on international platforms.
