

Intern's Orientation Program for Intern's batch 2022 was conducted on 16-02-2022 in Lecture Hall A. It was attended by all the Interns and Intern's Incharges from various departments.

Points discussed in the gathering were as follows

1. The duration of postings in various departments was informed
2. Exit examination- All the interns will have to appear for the Exit Examination at the end of the Clinical posting in each department. The Intern must clear this examination and if the Intern fails in any examination will have to reappear for the same.
3. Extension rules were informed which are as follows

85% attendance	No Extension
60 to 84% attendance	Repeat the number of absent days
Less than 60% attendance	Repeat posting

4. All the interns are supposed to publish an article in an PUBMED/ Scopus indexed journal or UGC approved journal. It can be either Review article or Research article or a Case report.
