To,  
The Dean / Principal,

Dear Sir/Madam,

Greetings from Pravara Institute of Medical Sciences – Deemed to be University, Loni.

I am glad to inform you that the Centre for Social Medicine (CSM) of PIMS since its inception in 2001 engaged in Public Health Education, Research & Practice in India in collaboration with national and international universities. The CSM - as a Constituent Unit of PIMS-DU, is recognized by University Grants Commission (UGC), Govt. of India for offering formal academic programs in Public Health since 2005.

At this juncture, it gives me great pleasure to inform you that the admission is open for Master of Public Health (MPH) for the Academic Year 2020-21, which commences from August 2020 / September 2020. As you are aware, Public Health professionals are in great demand in government, corporate and non-governmental sectors in India and abroad.

Any graduate (Medical & Allied Health Sciences, Arts, Science, Humanities, etc) with a minimum of 50% marks (45% for SC/ST category) from any recognized Indian University or its equivalent Foreign University is eligible for admission for this course. The tuition fee is fixed at a very competitive level i.e. Rs. 60,000/- per year. I am glad to attach herewith wall poster giving more details of the course in the interest of your students.

May I take this opportunity to request you to display the information in your notice board to help your students choose an excellent career in highly demanding field of public health.

Thanking you.

Yours sincerely

Prof. K.V. Somasundaram,  
Director, Centre for Social Medicine
