

**BHARATI VIDYAPEETH UNIVERSITY  
DEEMED TO BE UNIVERSITY  
DENTAL COLLEGE & HOSPITAL, PUNE**

Institutions hold a high level of academic capability and clinical expertise. Many treatment modalities involve more than one specialty expertise. The proficiency level of each department needs to be known to all. Though interdepartmental interactions might be happening on need to hold basis, need is felt to provide a platform to have a healthy professional dialogue amongst all faculty, PG students and interns on a regular basis.

Monthly central clinical meet will be a right step in this direction. This initiative will provide an opportunity to all departments to showcase their best of the best cases, and technology advancements. All participants will get an insight into the happenings in other fields of dentistry. Healthy professional interaction will ensue positive analysis. This will generate a healthy competition to perform and present to their utmost ability. All participants surely stand to gain as their horizon gets widened.

The Clinical cases will be presented by post graduate students/ interns and moderated by a faculty as assigned by HOD of each department. The meet will be scheduled once a month on every **third Friday of the month (2.30pm onwards)** beginning from January 2021. The meetings should be attended by all the faculty members, post-graduate students and interns of the institute. To begin with the meet will be held on an online platform. The following is scheduled time –table for the meet beginning from January 2021.

**Microsoft teams** would be the software for the online meet, hence all are requested to kindly download the software for the same.
