Subject: About NAD ID made as compulsory field in examination form from Summer-2020 examinations.

Sir / Madam,

As per the guidelines received from UGC vide letter no. D.O.No. F. 1-3/2017(NAD/MHRD), dated 6th November 2019, NAD ID should be made as compulsory field in Registration form as well as Examination form. We have recently conducted the workshop for awareness of NAD registration of students at NAD portal, where representatives of your institute participated and are working to generate NAD ID of every student.

After receiving the NAD ID by the student the data will be automatically transferred in the records of every student at the University server and will be displayed in the examination form as NAD ID field from Summer 2020 examinations. The student will not be able to submit his examination form and receive his seat number for examination if the NAD ID is not displayed in the examination form. It is therefore requested to guide every student of your institute to generate NAD ID before filling up the examination form.

Thanking you,
