NOTICE

To
All Teaching Faculty

At the outset let me thank all of you for your enthusiastic support over the past two years. All the committees have worked hard and performed their tasks admirably. However we are all aware that *'If we don't change, we don't grow. If we don't grow, we aren't really living'*. In keeping with the need for change the Committees have been restructured. These new Committees shall undertake their responsibilities from 1st June 2019. However to ensure the smooth transfer of the duties as well as associated administrative work an early outline has been provided. I urge all HoDs/Incharges and their teams to interact with the Committees which they shall undertake and ensure that they are fully conversant with the duties and paper-work of the concerned Committees.

I look forward to an even more active and unreserved support from all of you.

With warm regards

Dr. Rajesh Kshirsagar
Principal
