

Dr.Venkatesh Vamanrao Kulkarni
Professor, Oral and Maxillofacial Pathology & Microbiology
DETAILS OF PUBLICATIONS

Faculty name & Designation	Title of Publications	Name of the Journal	Category I / II / III	Year of Publication
Dr.Venkatesh Vamanrao Kulkarni Professor Oral and Maxillofacial Pathology & Microbiology	Occurrence of Micronuclei in Leukoplakia and Oral Squamous Cell Carcinoma (Original Research) 1st author	Scientific and Research Journal (Bharati Vidyapeeth Deemed University Journal)	III	2009
	Neurofibroma with neurofibromatosis- A Case Report 1st author	Journal of Medical & Dental Research (University Journal)	III	2012
	Fibrolipoma- A rare intraoral Tumor - A case report 4th author	Journal of Dental and Allied Sciences (Sinhagad University Journal)	III	2013
	VEGF & CD34 : A correlation between tumor angiogenesis and microvessel density-an IHC study (Original Research) 4th author	Indian Journal of Oral and Maxillofacial Pathology (Pubmed Indexed)	I	Sept-Dec 2013
	Cleidocranial dysplasia – A clinic-radiological illustration of a rare case 1st author	International Journal of Oral and Maxillofacial Pathology (Pubmed Indexed)	I	2014
	Prevalence of Hallers cells: A panaromic radiographic study (Original Research) 4th author	Journal of clinical and diagnostic research (Pubmed Indexed)	I	2014
	An Unusual case of Unicystic Ameloblastoma 2nd author	International Journal of Dental Case Reports (Pubmed Indexed)	I	2014
	Qualitative analysis of xylene, methyl salicylate and mineral oil as a clearing agent for tissue processing: Comparative study (Original Research) 3rd author	Journal of Oral and Maxillofacial Pathology (Pubmed Indexed)	I	2014

	Nanobiosensors 2nd author	Journal of Oral and Maxillofacial Pathology (Pubmed Indexed)	I	2014
	Central Odontogenic Fibroma: A Diagnostic Dilemma with Literature Review 3rd author	International Journal of Oral and Maxillofacial Pathology (Pubmed Indexed)	I	2014
	Prevalence of fungal hyphae in premalignant lesions (Original Research) 2nd author	Journal of Oral and Maxillofacial Pathology (Pubmed Indexed)	I	2015
	Levels of Salivary Thiocyanate and its relation with occurrence of micronuclei using exfoliative cytology in smokers and non-smokers (Original Research) 2nd author	Contemporary Clinical Dentistry (Pubmed Indexed, SCOPUS, Web of Science)	I	2015
	Metastasis: To and fro 2nd author	Journal of Oral and Maxillofacial Pathology (PubMed Indexed, SCOPUS)	I	2017
				Total
	Verrucous Carcinoma of the Tongue : a Case Report with Dilemmas in Diagnosis and Terminology of Verrucous Papillary Lesions 2nd author	Indian Journal of Pathology	Additional Publication	January-March 2015
	central giant cell granulomas of the jaws- a review of literature with its emphasis on differential diagnosis on related lesions” 3rd author	International Journal of Contemporary Dental and Medical Reviews	Additional Publication	2015
	Ectodermal dysplasia- a case report, management and review 3rd author	Medico-Legal Update	Additional Publication	2015
	Lobular Capillary Haemangioma- A series of three cases 4th author	The South East Asian Journal of case report and review	Additional Publication	2015

Peripheral Ossifying Fibroma: A Case Report and Review of Literature 4th author	European Journal of Biomedical AND Pharmaceutical sciences	Additional Publication	2016
Review of spindle cell lesions of the oral cavity part I 1st author	European Journal of Biomedical and Pharmaceutical sciences	Additional Publication	2018
Cyst associated with a deciduous molar: A lesion causing a diagnostic dilemma 1st author	Indian Journal of Contemporary Dentistry	Additional Publication	2014
Myoepithelioma A Rare Salivary Gland Tumor - A Case Report 1st author	Medico-Legal Update	Additional Publication	2013
Review of spindle cell lesions of the oral cavity part II 1st author	European Journal of Biomedical and Pharmaceutical sciences	Additional Publication	2018
Tobacco Cessation Counseling by Dental Personnel 1st author	European Journal of Biomedical and Pharmaceutical sciences	Additional Publication	2019
A short review of Matrix Metalloproteinase – 9 1st author	European Journal of Biomedical and Pharmaceutical sciences	Additional Publication	2019
Review of p53 1st author	European Journal of Biomedical and Pharmaceutical sciences	Additional Publication	2019
Strategies for Tobacco Cessation 2nd author	World Journal of Pharmaceutical Sciences	Additional Publication	2019
Myofibroblasts: In health and diseases 1st author	World Journal of Pharmaceutical Sciences	Additional Publication	2019
Review of Collagen in Health and Disease (Part 1 Collagen in Health) 1st author	World Journal of Pharmaceutical Sciences	Additional Publication	August 2019
Review of Collagen in Health and Disease (Part II Collagen in Diseases) 1st author	World Journal of Pharmaceutical Sciences	Additional Publication	August 2019
Comparison of dermatoglyphic Patterns in potentially malignant lesion, condition and oral cancer patients. (Original Research) 1st author	Journal of Emerging Technologies and Innovative Research (JETIR) (UGC approved, Scopus)	Additional Publication	June 2019
Evaluation of protein activity in different grades of oral dysplasia using Phosphotungstic acid haematoxylin stain (PTAH stain) –A Pilot Study (Original Research) 1st author	Journal of Emerging Technologies and Innovative Research (JETIR)	Additional Publication	June 2019

		(UGC approved, Scopus)		
	short review of fetal alcohol syndrome 1st author	world journal of pharmacy and pharmaceutical sciences	Additional Publication	Nov 2019
	Comparison of dermatoglyphic patterns in oral leukoplakia and oral submucous fibrosis patients (Original Research) 1st author	International Journal of Research in Medical Sciences (UGC approved, Scopus)	Additional Publication	2020 Jan;
	Odontogenic Fibromyxoma: A Diagnostic Dilemma in a Paediatric Patient 3rd author	Journal of Emerging Technologies and Innovative Research (JETIR) (UGC approved, Scopus)	Additional Publication	2020Feb
	Awareness among the dental professionals about safe dental practice in the current covid-19 pandemic. (Original Research) 1st author	Journal of Emerging Technologies and Innovative Research (JETIR) (UGC approved, Scopus)	Additional Publication	October 2020
	Awareness in people about dentistry in the current covid-19 pandemic. (Original Research) 1st author	Journal of Emerging Technologies and Innovative Research (JETIR) (UGC approved, Scopus)	Additional Publication	October 2020
