To,

The Head
Department of Oral & Maxillofacial Surgery
Dental Medical College
Pune-411043.

Sir,

Recently we have started "PAIN CLINIC" at Bharati Hospital. From our Dept. Dr. Swami & Dr. Keniya have completed fellowship training in pain management at New Delhi. Dr. Nankar, will be available for expert opinion.

Following type of patient will be benefited from "PAIN CLINIC".

1. All types of Orofacial Pain
2. Trigeminal Neuralgia
3. Glossopharyngeal Neuralgia
4. Malignancy

The OPD days and timings are as follow

Day	Timings	Doctor's name
Monday	2 to 4 pm	Dr. Keniya
Tuesday	2 to 4 pm	Dr. Keniya
<u>Wednesday</u>	2 to 4 pm	<u>Dr. Sidhaye</u> / Dr. Keniya
Thursday	2 to 4 pm	Dr. Keniya
<u>Friday</u>	2 to 4 pm	<u>Dr. Lokapur</u> / Dr Keniya

Apart from all routine interventional procedures we are also equipped with advance procedures like **Radiofrequency Ablation (RFA), Epidural adhesiolysis, Regenerative therapy (PRP)**, etc. So far, many patients have benefitted from these advanced procedures. Please share this with your entire faculty. We look forward for your continued support. Let us make our patients as "PAIN FREE" as possible.
Thanking you,

Swami
