Sub:- Participation in DCI's Webinars – Reg.

Sir / Madam,

I am directed to say that as you are already aware that the Dental Council of India has started its webcast of DCI Webinar w.e.f 28th June, 2020. This series of Webinars will be webcast on every Sunday at 1600 hours on different topics on dentistry by eminent Speakers and Moderators aiming to enhance the knowledge and skills of all undergraduate and postgraduate dental students, dental faculties, dental practitioners and other stake-holders in the country. As per DCI's Continuing Dental Education Regulations, 2018, all the attendees shall be awarded one CDE point for attending 60 minutes of DCI's Webinar. However, an e-Certificate of Attendance will be issued to all attendees including UG students.

In this connection, it's my pleasure to inform that DCI's Webinars are receiving an overwhelming response across the world and thousands of participants are being benefited by it. In order to promote the DCI's Webinar to a further wide range of all undergraduate and postgraduate dental students, dental faculties, dental practitioners and other stake-holders in the country, the role of dental colleges is very supportive and crucial.

Therefore, I am directed to request your goodself to kindly propagate the streaming of DCI's free Webinar being webcasted every Sunday, among all the Under Graduate, Post Graduate, Dental Faculty and pass-out students from your college and among all the stake holders. Further, you are requested to ensure that maximum participation is achieved in the upcoming DCI's Webinars. You are advised to pursue various methods to encourage them to participate in the same. Since, the DCI is maintaining database of all participants, the dental colleges achieving high participation will be appreciated by the DCI accordingly.

This issues with the prior approval of the Worthy President, DCI.
