## WOMEN'S DAY CELEBRATION MARCH 2022

The Department of Oral Pathology and Microbiology celebrated the Women's Day on 11th March 2022.

To commemorate this day a talk was organized on 'Breaking the Gender Bias and Women empowerment' by Adv Pratibha Ghorpade who is a practising criminal lawyer since 29 years in Pune.

The introduction of the Speaker was given by Dr Pushpanjali Das.

Adv Pratibha Ghorpade gave a very interesting and interactive talk.

She spoke about different laws for women for domestic violence, POSH etc with examples. She also spoke about different NGOs.

Mam also suggested to conduct a workshop for creating awareness among women about these laws.

The talk was followed by a Q & A session.

The Speaker was felicitated by Dr Revati Deshmukh Mam and Dr Vidya Dodwad Mam.

This was followed by a prize distribution session for the slogan writing competition conducted for the interns on the National Oral Pathologist Day.

We are extremely thankful to our Principal Dr Rajesh Kshirsagar Sir for his constant support and encouragement.

We are thankful to Mr Anil Kadam Sir and Mr Vinyak Bhande for all the help extended to conduct the event
