Greetings from Faculty of Dental Medicine Universitas Airlangga Indonesia,

Wishing you always in a good condition.

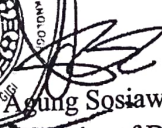

First of all, as the Dean Faculty of Dental Medicine Universitas Airlangga. I would like to express my great appreciation to our collaboration in academic exchange. It is always a pleasure to work together with you. Today, we are facing a lot of challenge during this new normal era to give a good education to our students, but I believe we are able to withstand the challenges. One of the ways to withstand the challenges is by keeping to improve our knowledge.

Faculty of Dental Medicine Universitas Airlangga would like to cordially invite staff and students to participate in our online event called **“The 6th Joint Scientific Meeting in Dentistry (JSMiD)“** on July 30th – August 1st 2021 , with the theme **Comprehensive Oral Health Improvement through basic medical and clinical science before, during and after pandemic era**. This event covers diverse fields of dental research and clinical science. We aim to offer the researchers, academic lecturers, dentists, and students a dynamic discussion and fruitful collaboration. In this event, there will be award for the best research and presenter could publish their research on Journal of International Dental and Medical Research.

Taking into account the substantial collaboration between our institutions, we believe that your endowment to this online scientific meeting will be very beneficial. This online scientific meeting will be a highly rewarding research, educational, and especially networking aggregation for all. We look forward to welcoming you to our online scientific meeting.

Sincerely yours,

Agung Sosiawan
